

# Workshop: Develop Your Intuition

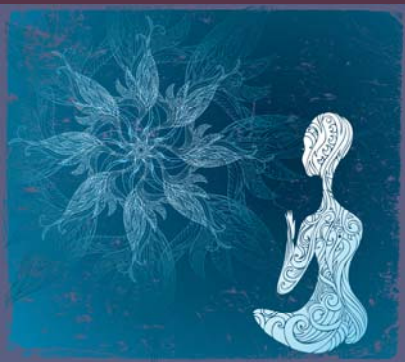

Bringing the Unconscious into the Conscious

## Workshop Details

The workshop begins Friday, September 12th at 5:30p with a Welcome Session and ends on Sunday, September 14th at 1p.

The cost to attend is \$200 per person before August 10th, \$225 after the 10th.

All materials, welcome reception on Friday night, snacks and lunch on Saturday, and snacks on Sunday are included in the cost of the workshop.

There will also be plenty of time for reflection, journaling, meditation, and of course, PLAY!

We are all aware of our five senses, but there is a sixth sense that influences our life greatly. You already respond to the energy in a unconscious way, but this workshop will help you to begin responding in a conscious way.

Over the course of this three-day workshop, held September 12-14th in Oak Creek Canyon, you will learn to sense the energy in yourself and others, understand and direct the unseen energy around you, listen to your inner guidance system, discover the tools that help you connect with your intuition, and begin receiving messages from your higher self and The Universe.
